Photo Restoration Services

Scan Fee

In order for a photo to be restored, it must first be scanned and made into a digital image. This fee covers up to three photos scanned. (Max size of scanned photos is 8x10)

**\$10/1-3 pictures;
then \$4 per picture**

Photo Processing and Restoration

Scanned pictures are edited for color correction and saturation, lighting, contrast, sharpness, red eye and beta levels. Color photos can be converted to B/W or sepia tones (Antique).

**\$10/hr (Waived on
orders greater than \$50).**

A La Carte -- Finished Photos

11x14 pictures Glossy or Lustre finish **\$20/ea**

8x10 Pictures Glossy or Lustre finish **\$10/ea**

5x7 Pictures Glossy or Lustre finish **\$5/ea**

4x6 Pictures Glossy **\$2/ea**

Your finished pictures on a CD? When you order \$50 or more in printed pictures, CD is \$5. If no printed pictures are ordered, CD is \$50. **\$5 or \$50**
