Who are the Sun City Aliante Songsters?

The Sun City Aliante Songsters are a non-profit choir of more than 40 seniors living in North Las Vegas' Sun City Aliante 55+ Community who love to sing or play. We have sung at birthday & anniversary parties, assisted living facilities, hospitals, nursing homes, women's clubs and at our community center events. We work closely with Safe House & the VA Hospital for special events. We perform 2 concerts each year; a Spring Concert where a portion of our proceeds are donated to a charitable organization and a December holiday concert held to sold-out crowds that provides us with funds to buy music and supplies for the group.

The Songsters are available for performances with reasonable notice. We do not charge for our services; however, we always appreciate donations to our music and costume fund.

Pastors To Prisoners Prison Ministry Yard Pastors Keep Chapels Open

Pastors to Prisoners Helping broken people put their lives back together...

Welcome to our Prison Ministry, Pastors to Prisoners

Did you know...

California Prison Population

is decreasing by Supreme Court order, but at one point was more than 170,000 inmates. This prison population is aging. Most prisoners are nonwhite. A majority of prisoners (just over 50%) are serving time for violent crimes. Most prisoners serve determinate sentences, but the number of "strikers" is growing. The prison population experiences frequent turnover.

*information compiled from data gathered at the Public Policy Institute of California

Something must be done!

Warehousing criminals won't "fix" them any more than storing your broken TV in the garage will make it work again in five years. They need to change. With upwards of 5000 men in a prison, State Chaplains average only 2 hours per week per prison yard in actual one-to-one ministry with inmates. A privately funded, full-time volunteer yard Pastor is desperately needed on each prison yard to "stand in the gap" on a daily basis and teach these men how to use the tools in Scripture to make good decisions that will result in productive citizens when they are released.

How you can help...

Support HIS work through financial support of Pastors to Prisoners. Pastors to Prisoners is a California nonprofit religious organization. If so called, please "Come and See" the ministry at work in the prisons. You are invited to come to one of our prisons and sit in on services and see for yourself what is happening and how the ministry works. Our Yard Pastors would love for you to witness God's work in the prisons first hand!

Check us out on Facebook and Twitter! Links to both are located below.

It takes a special individual to be a part of the Pastors to Prisoners ministry team. Please contact us if you feel God is calling you to be a part of this ministry. God Bless YOU!

(For comparison, I completed the website at the left for an estimated cost of \$2000; if developed by a commercial website designer from scratch would be in the range of \$4000-\$5000 cost)
